Are you an elderly or vulnerable parishioner who is worried about loneliness, or being able to run errands such as grocery shopping or collection of medication from the pharmacy?

Are you under 70 and healthy and would you be prepared to 'buddy' one of our vulnerable members and help them with errands such as these or a friendly phone call every so often?

If you fall into either of these categories please email the office or call Fr Ken, giving details of the help you need/can provide, and a contact telephone number/email, and we will do our best to match you up. By giving your details you are consenting to us passing your details on. Full details of our GDPR policy can be found on the diocesan website.

As we won't be able to meet in person, if you wish, please send a sentence or two on what you've noticed in this week's prayer material to Joanna at jchale@earthling.net or phone and leave a message on 01494 724487 by the end of Saturday. She will compile and circulate the contributions to those contributing and anyone else who has been praying with the material and requests it. Please say if you would like your Christian or full name to be included with your sentence(s) or if you prefer to remain anonymous, that's fine - just say so. The note will be blind copied: no-one else's email addresses will be revealed.
