

TESTIMONIES...

"Interning at Restore Hope was an incredible, life-changing experience. The people you meet are so inspiring. During my internship I learnt more about who I am and what my own skills are, whilst growing in my relationship with God. I now have a job here at Restore Hope and that was only made possible through my internship. I cant recommend it enough!" **Izzy**

"With the lake and hills surrounding Restore Hope, it is a beautiful place to work, even on the wintery days. The range of opportunities as an intern was appealing, as I am someone who is more logically minded, I enjoyed being able to help with the finances at Restore Hope and also enjoyed working with the children as this was a lot of fun too, seeing their joy and happy faces." **Ben**

GAP YEAR INTERNSHIP PROGRAMME

JOIN US FOR A TRANSFORMATIONAL YEAR TO DEEPEN YOUR FAITH AND DEVELOP YOUR POTENTIAL

WHO ARE WE...

RESTORE HOPE is a Christian charity passionate about seeing lives and communities transformed and hope restored to as many families as possible. We focus on inspiring, training and equipping families to fulfil their potential. Set in the beautiful Chess Valley, Restore Hope offers activities indoors and out throughout the year. We seek to develop the gifts & calling of each member of our team, underpinned by a culture of prayer & worship (and cake!)

THE PROGRAMME...

Join us for a transformational year of outreach whilst growing in confidence, skills and leadership capacity. Working at Restore Hope will give you a diverse range of opportunities to empower your walk with Jesus, celebrate your strengths, increase your hope levels and then impart that same hope and love to those we are called to serve at Restore Hope.

You will also have the option to partake in the 'Hope Leadership Academy'.
