**Happy Easter: "Jesus is risen from the dead!"** This message resounds in the Church and the world over today. To a world that expects dead things to stay dead, broken hearts to stay broken, Easter comes with new life, with grace, with healing. May the saving power of Christ's resurrection fill all of us, so that we can overcome every expression of that "culture of death" with which we get increasingly surrounded. My sincere appreciation to all the volunteers and teams that worked tirelessly for the meaningful celebration of liturgy during the Holy Week. The Parish Community would like to acknowledge your hard work and appreciate your selfless service. *God Bless*
